- Demonstrated effective teamwork,communication, and problesolving skills in a fast-paced and dynamic event environment.

Web Developer   2024

Founder & Developer

  Urban Unveil is a dynamic website I created to explore and highlight the hidden gems of urban life. I designed and developed the site using HTML, CSS, and JavaScript, producing engaging content on city culture and events. By implementing SEO best practices, I boosted organic traffic and enhanced user engagement through social media integration.
